“Juneteenth” or the 19th of June is the date slavery ended in America. General Gordon Granger traveled to Galveston, Texas to read General Order No.3, June 19, 1865. This was two and one-half years after President Abraham Lincoln signed the Emancipation Proclamation. Juneteenth is now recognized as a Local, State, and National Observance Holiday.

The Juneteenth Committee has been able to continue this national, state, and local tradition with the help of financial supporters. Generated funds from advertisements enable us to purchase food for this event. Keeping the Juneteenth Celebration activities FREE and OPEN to the public is critical to our mission. Each year around June 19th, this event brings together our citizens for a day of activities, entertainment, music, and great food.
